Medford Police are seeking your help in locating and alleged gold thief. Randall Lee Thomas is wanted in connection with a break-in at a property in the 800 block of Lawnsdale Road in Medford back in February. Evidence collected at his house in Trail points to Thomas as the suspect.

Two firearms and about \$100,000 in gold coins were stolen, allegedly by Thomas, and police believe he may be trying to get rid of the gold. Moreover, Thomas has connections to the Oregon Coast, and may be moving between the coast and his home in Trail.

Thomas is described as being a white male, standing about 6'1" tall, and weighing in around 190 pounds. He has blue eyes, and no hair. Since firearms were part of the theft, Thomas should be considered armed and dangerous.

Anybody with information, or know of Thomas' whereabouts can call or text Crime Stoppers of Southern Oregon at: 800-850-0580, and refer to case number: KMED051519
